Licensed Psychologist (Section A)

Ordine degli Psicologi del Veneto, N. 15759 (since Oct. 13, 2025)

I am a **Licensed Psychologist** and **PhD Candidate** in Psychological Sciences at the University of Padova, currently conducting research at the Department of Data Science, Dana–Farber Cancer Institute – Harvard Medical School, under the supervision of Prof. Giovanni Parmigiani.
I am a member of the *Psicostat research group* and my work integrates clinical psychology and statistical methodology, with a particular focus on multiverse analysis, meta–analysis, statistical inference, and research replicability.

RESEARCH INTERESTS

- Development of *Inferential Multiverse Meta–analysis*
- Application of *Inferential Multiverse Meta–analysis* to evaluate efficacy of psychotherapies in the treatment of psychopathology
- Statistical methodology and research transparency in psychological science

EDUCATION

2025 – *ongoing*

PhD in Psychological Sciences (XLI Cycle)

University of Padova

Supervisor: Prof. Gianmarco Altoè

Co–Supervisors: Giovanni Parmigiani, Livio Finos, Ioana Alina Cristea

2023 – 2025

M.S. in Developmental Clinical Psychology (110 cum laude)

University of Padova

Thesis: 'Multiverse Meta–Analysis: Proposal of a New Inferential Approach with an Application to Depression Psychotherapy'.

Supervisor: Prof. Gianmarco Altoè

Co–Supervisor: Dott. Filippo Gambarota

2019 – 2023

B.S. in Psychological Sciences and Techniques (109/110)

University of Padova

Thesis: Bullying, Cyberbullying and Parenting Styles.

Supervisor: Prof. Tiziana Pozzoli

2014 – 2019

High School Diploma

Liceo Scientifico Statale G. Cotta, Legnago (VR), Italy

Traditional scientific curriculum.

RESEARCH EXPERIENCE

Oct 2026 – *ongoing*

Visiting PhD Student

Department of Data Science, Dana–Farber Cancer Institute, Harvard Medical School, Boston, MA, USA

Supervisor: Prof. Giovanni Parmigiani

PUBLICATIONS & PREPRINTS

Manente, M., Finos, L., Altoè, G., & Gambarota, F. (2026) ***Post–selection inference in multiverse meta-analysis: The PIMMA framework***. [*Manuscript under review at Advances in Statistical Analysis*]. PsyArXiv [Preprint]. https://doi.org/10.31234/osf.io/8ejsn_v1

Manente, M., Altoè, G., Alfarone, I., & Calderan, M. (*in preparation*). ***Mapping Researcher Degrees of Freedom in Meta–Analyses of Randomized Controlled Trials of EMDR for PTSD: A Systematic Scoping Review***. Preregistered protocol (currently under embargo)

Altoè, G., Gambarota, F., Girardi, P., Vesely, A., Calignano, G., **Manente, M.**, Pastore, M., & Finos, L. (*in preparation*). ***Multiverse Analysis in R: Exploratory and Inferential Approaches***. Springer Book, UseR! Series.

Marci, T., Calignano, G., **Manente, M.**, Liuzza, M. T. ***Evidence for a Two-Dimensional Structure of the Italian short–form Grit–S in Youth***. [*submitted to Journal of Personality Assessment*]

De Vettor, M., **Manente, M.**, Boldrini, T. (2026). ***Acceptability and Stigma of Psychosis-Risk Labels: Protocol for an Individual Participant Data Meta-Analysis (IPDMA)***. OSF Registries. https://doi.org/10.17605/OSF.IO/P72KQ

INVITED TALKS & KEYNOTE LECTURES

Sep 2026

Invited Keynote Speaker – AIP Sperimentale 2026

'One Dataset, Many Results: Multiverse Inference in Psychological Science'.

Annual Meeting of the Experimental Psychology Section, Italian Association of Psychology (AIP) 2026, Venice, Italy

Jan 2026

Invited Talk – University of Innsbruck

'Multiverse Meta–Analysis: Assessing Robustness and Researcher Degrees of Freedom in Psychological Research'.

Methodenvertiefung Meta–Analysis Course, University of Innsbruck

CONFERENCE PRESENTATIONS

2026 **Poster**

Manente, M., Gambarota, F., Finos, L., & Altoè, G. '**Validated Multiverse Meta–Analysis: Expert–Constrained Specification Spaces and Post–Selection Inference**'.

European Mathematical Psychology Group (EMPG) Meeting 2026, Innsbruck, Austria.

2026 **Poster**

Manente, M. & Altoè, G. '**Improving Robustness in Meta–Analysis Through Inferential Multiverse Analysis**'.

Annual Meeting of Psychometric Sector (PSI–03) 2026, Turin, Italy

2026 **Lightning Talk**

Manente, M. & Altoè, G. '**Beyond Descriptive Multiverses: Post–Selection Inference for Multiverse Meta–Analysis**'.

Society for the Improvement of Psychological Science (SIPS) Online 2026

2026 **Poster**

Manente, M., Finos, L., Altoè, G. '**Does EMDR Really Work? A Multiverse Meta–Analysis of PTSD Treatment Efficacy**'.

Italian Reproducibility Network (ITRN) Meeting 2026, Verona, Italy

2026 **Talk**

Manente, M., Altoè, G., Finos, L., Gambarota, F.. **'Your meta–analysis depends on choices: A multiverse approach to solid inference'.**

Cognitive Science Arena (CSA) 2026, Bressanone, Italy

2025 **Talk**

Manente, M., Gambarota, F., Finos, L., Vesely, A., Altoè, G. **'Choices Shape Conclusions: An Inferential Multiverse approach to Meta–Analysis'.**

Psicostat Meeting (Online)

2025 **Poster**

Manente, M., Gambarota, F., Finos, L., Vesely, A., Altoè, G. **'Enhancing Transparency and Rigor in Psychology: A Multiverse Inference Framework'.**

Associazione Italiana di Psicologia (AIP) Sperimentale National Congress 2025, Torino, Italy.

2025

Talk

Manente, M., Gambarota, F., Finos, L., Vesely, A., Altoè, G. '**Post–Selection Inference in Multiverse Meta–Analysis (PIMMA)'.**

European Mathematical Psychology Group (EMPG) Meeting 2025, Padova, Italy

2025

Symposium

Sità, L., **Manente, M.**, Perugini, A., Calignano, G., Toffalini, E., Marci, T., Pastore, M., Altoè, G. '**Set up for a Methodological Review Board in Psychology**'.

Platform for Young Meta–Scientists (PYMS), Tilburg, Netherlands

AWARDS

Feb 2026

Valiant Award – Cognitive Science Arena (CSA) 2026

Best Talk

Presentation Title: "*Your meta–analysis depends on choices: A multiverse approach to solid inference*".

TEACHING EXPERIENCE

Oct 2026 – Jan 2027

Teaching Assistant – Master's Course "Principles and Applications of Psychological Testing" (25h)

University of Padova – Instructor: Prof. Jessica K. Flake

Preparation and delivery of practical workshops on psychometric methods, including item analysis, exploratory factor analysis, reliability, and validity evidence. Management of Moodle-based learning activities, quizzes, discussion forums, and student assessment.

June 2026

Summer School on Meta–Analysis – PhD Level (6h)

University of Cagliari

Lectures and hands-on training on meta-analytic methods, including fixed- and random-effects models, heterogeneity, publication bias, and practical applications in R using the metafor package

Mar – May 2026

Teaching Assistant – Master's Course "Analisi dei dati in psicologia dello sviluppo" (21h)

University of Padova – Instructor: Prof. Massimiliano Pastore

Teaching and practical exercises on fundamental statistics, sampling theory, linear models, and data analysis in RStudio. Management of Moodle-based learning activities and online exam preparation.

March 2026

Teaching Assistant – Master's Course "Analisi dei dati in ambito di comunità" (14h)

University of Padova – Instructor: Prof. Filippo Gambarota

Teaching and practical exercises on statistics, RStudio, data visualization, Quarto, and Zotero. Development of video tutorials on reproducible research and management of Moodle-based learning activities.

THESES SUPERVISION

Nov 2025 – Jul 2026

Master's Thesis Co–supervision

Post–Selection Inference in Multiverse Analysis (PIMA): An Application to the Association Between Smartphone Use and Mood

MSc in Developmental Clinical Psychology, Department of Developmental Psychology and Socialisation, University of Padova

Student: Blerina Baholli

Supervisor: Prof. Gianmarco Altoè

Co–supervisor: Matteo Manente

Nov 2025 – Jul 2026

Master's Thesis Co–supervision

Vibration of Effects (VoE): Assessing the Robustness of the Association Between Smartphone Use and Mood

MSc in Developmental Clinical Psychology, Department of Developmental Psychology and Socialisation, University of Padova

Student: Gaia Bertiato

Supervisor: Prof. Gianmarco Altoè

Co–supervisor: Matteo Manente

Nov 2025 – Jun 2026

Bachelor's Thesis Co–supervision

Preregistration and Registered Reports in Psychological Research: A Critical Analysis of a Replication Study of the Unconscious Working Memory Effect

Bachelor's Degree in Psychological Sciences of Development, Personality, and Interpersonal Relationships, University of Padova

Student: Lucia Segatto

Supervisor: Prof. Gianmarco Altoè

Co–supervisor: Matteo Manente

PEER REVIEWS

2026 **Advances in Statistical Analysis (AStA)**

2026 **Journal of Anxiety Disorders**

2026 **PLOS One**

2026 **Qeios**

https://doi.org/10.32388/JBB7LC

INSTITUTIONAL SERVICE

2026 – *ongoing* **PhD Student Representative – Academic Board**

PhD Program in Psychological Sciences

2026 – *ongoing* **PhD Student Representative – Governing Council**

PhD Program in Psychological Sciences

ADVANCED TRAINING IN STATISTICS & PROGRAMMING

July 2026 **ARCA Summer School: Unlocking Psychological Expertise for Academic and Business Success (5 days)**

University of Padova

R programming, Quarto reporting, Shiny apps, quantitative text analysis, neuroethics, and machine learning.

June 2026 **Data Simulation in Psychological Studies – PhD Course (10h)**

University of Padova

Simulation-based assessment of statistical power, bias, uncertainty, and analytical choices.

May 2026 **Evaluation of Outliers and Influential Cases in Multivariate Perspective – PhD Course (5h)**

University of Padova

Multivariate outlier detection, leverage and influence diagnostics, and data-screening decisions.

April 2026 **Introduction to Meta–Analysis with Application in R – PhD Course (5h)**

University of Padova

Effect sizes, random-effects meta-analysis, heterogeneity, moderators, publication bias, and R.

April 2026 **Power and Design Analysis – PhD Course (5h)**

University of Padova

Power, sample-size planning, sensitivity analysis, and effect-size uncertainty.

Jan – Mar 2026 **Advanced scientific and parallel programming with HPC infrastructures – PhD Course in Information Engineering Program (20h)**

University of Padova

HPC workflows, parallel computing (OpenMP, MPI, CUDA), remote resources, and containers.

February 2026 **Generalized Linear Models for Psychology: Understanding, Simulating, and Planning Your Analyses – Hands–On Psicostat (4h)**

University of Brixen

December 2025 **Generalised Linear Models – PhD Course (15h)**

University of Padova

Generalized linear models in R, parameter interpretation, and Monte Carlo simulations.

Nov – Dec 2025 **Basics of Statistical Inference and Linear Models with R – PhD Course (20h)**

University of Padova

Statistical inference, hypothesis testing, linear models, and planned comparisons in R.

November 2025 **Current Issues in Statistical Inference for Psychology – PhD Course (10h)**

University of Padova

Contemporary issues in statistical inference for psychological research.

November 2025 **Basics of R for Data Science – PhD Course (10h)**

University of Padova

R programming fundamentals, data handling, functions, and statistical analysis.

ADDITIONAL ACADEMIC & PROFESSIONAL TRAINING

October 2026 **CITI Program – Research Ethics and Good Clinical Practice**

Dana–Farber Cancer Institute, Harvard Medical School, Boston (MA)

Human subjects research ethics, Good Clinical Practice, and conflicts of interest.

May 2026 **Questionable Measurement Practices and How to Avoid Them – PhD Course (5h)**

University of Padova

Measurement validity and reliability, scoring decisions, and reproducible scale use.

April 2026 **Data Visualisation with ggplot2 – PhD Course (5h)**

University of Padova

Grammar of graphics, exploratory visualization, and publication-ready plots with ggplot2.

February 2026 **Conducting Systematic Reviews – PhD Course (5h)**

University of Padova

Review protocols, literature searching, risk-of-bias assessment, and evidence synthesis.

February 2026 **Psychological Measurement – PhD Course (15h)**

University of Padova

Representational measurement theory, ordinal measurement, and conjoint measurement.

February 2026 **ITRN Hands–On Workshop on Reproducibility & Open Science (4h)**

University of Verona

FAIR data, preregistration, Registered Reports, open data/code, and open peer review.

June 2025 **Summer School: Replicability Crisis in Science (20h)**

University of Padova

Replicability challenges and approaches to improving scientific reliability.

May 2025 **Summer School: BEYOND classical p–values (30h)**

University of Trento

Network psychometrics, machine learning, and permutation testing.

April 2025 **PreDoc Camp in Psychology & Cognitive Science (20h)**

University of Trento

Workshops and methodological seminars in psychology and cognitive science.

March 2025 **ARCA Course: PsychoPy3 – Programming an Experiment (20h)**

University of Padova

Experiment design and scripting using PsychoPy and Python.

Nov – Dec 2024 **Drafting Clinical Reports in Developmental Settings (8h)**

University of Padova

Clinical reporting for developmental and neurodevelopmental assessments.

Mar – May 2023 **Soft Skills Training Laboratory**

University of Padova

Communication, emotional intelligence, and teamwork.

SKILLS

- **Languages**
  - Italian (Mother tongue)
  - English (C1 – IELTS 8.0)
  - Spanish (Intermediate)

- **Digital Skills**
  - Advanced knowledge: R, RStudio, Quarto, Markdown, data visualization with ggplot2
  - Good knowledge: Moodle, Zotero, MS Office, Canva Design
  - Basic knowledge: Python, Git, PsychoPy

- **Data Analysis**
  - Statistical modeling, psychometrics, psychological testing, meta–analysis, multiverse analysis, data visualization, and reproducible research workflows.

- **Teaching & E–learning**
  - Moodle course management, assessment and quiz design, and development of digital teaching materials and tutorials.

ADDITIONAL PROFESSIONAL EXPERIENCE

Apr – Sept 2025 **Residential Care Worker**

Comunità Terapeutica Riabilitativa Protetta (CTRP) 'I Cristalli' (VR)

Facilitation of therapeutic interventions, multidisciplinary evaluations, drafting therapeutic plans, and clinical documentation.

July – Nov 2024 **Internship (500h)**

CTRP 'I Cristalli' (VR) – Residential Psychiatric Rehabilitation for Adolescents

Activities: Facilitation of therapeutic groups (art/music therapy), multidisciplinary case evaluation, drafting individualized therapeutic plans (PTI), daily clinical documentation, and support for social reintegration.

2022 – 2023 **Internship (250h)**

Mater Salutis Hospital and Day Center 'Il Tulipano', Legnago (VR)

Activities: Support in rehabilitative sessions with psychiatric patients, participation in structured group activities and multidisciplinary team meetings.

May – June 2021 **Production Worker**

Littelfuse, Legnago (VR), Italy

Operation of mechanical press equipment in an industrial manufacturing environment.

Jun – Aug 2018 **Administrative Intern (200h)**

Circolo ARCI, Legnago (VR), Italy

School–to–work internship involving document archiving, public relations, and website and social media management.

VOLUNTEER EXPERIENCE

Sep 2021 – Jun 2022 **Assistant Youth Football Coach**

U.S.D. Porto Legnago, Legnago (VR), Italy

Sep 2016 – Jun 2017 Supported the coaching and supervision of children's football teams during training sessions and matches.

ACADEMIC MEMBERSHIPS

2026 – ongoing **Associazione Italiana di Psicologia (AIP) – Sezione Sperimentale**

2026 – *ongoing* **Society for the Improvement of Psychological Science (SIPS)**

2026 – *ongoing* **Italian Reproducibility Network (ITRN)**

PUBLIC ENGAGEMENT & OUTREACH

Mar 2024 – *ongoing* **Methodological Review Board (MRB) Development**

University of Padova

Current member of the Pilot Study Team
Collaborating on the design/implementation of a departmental Methodological Review Board for the development and promotion of research quality and Open Science.

Nov 2025 **La scienza è aperta: la scienza incontra la città**

University of Padova

In the Organization Committee
Public engagement event promoting Open Science.
